If Action Planning Stalls, Cycle Back.....	353
Phase 5: Implementation and Change Management.....	354
Purpose and Goals	354
Integrate the Change Management Plan Throughout the Organization	355
Reminders – Critical Ingredients to Maintain Successful Change	357
Consultant’s Coaching to Maintain Motivation and Momentum.....	358
Client’s Delegation to Maintain Motivation and Momentum	359
Important Reminders for Consultants During Implementation.....	361
Use These Tools to Track the Status of Implementation.....	362
Systematically Adjust Plans When Really Needed	364
If Implementation Stalls, Cycle Back.....	365
Phase 6: Adoption and Evaluation	367
Purpose and Goals	367
Common Barriers to Implementation.....	367
Indicators That Your Client Has Adopted New Systems	368
Evaluation of Project Results	368
If the Desired Results Are Still Not Achieved, Cycle Back.....	368
Final Evaluation of the Project as a Whole	369
Phase 7: Project Termination.....	371
Purpose and Goals	371
Typical Reasons Projects Are Terminated.....	371
Avoid Dependency and “Project Creep”	371
Identify Next Steps	372
Formalize Termination of Project.....	372

PART V: TOOLBOX – GROUP SKILLS.....	374
Forming Groups and Teams	376
What Determines Whether a Gathering is a “Group”?.....	376
How to Prepare to Facilitate	376
How to Build Highly Effective Teams	377
Meeting Design, Management and Interventions.....	380
How to Design Highly Effective Meetings (Agendas).....	380
How to Manage for Effective Meetings	381
How to Know When to Intervene	383
Organizing Information and Making Decisions.....	385
How to Collect and Organize Useful Information in Groups.....	385
How to Help Groups Make Meaningful Decisions	388
Common Challenges in Facilitating Groups.....	394
How to Get All Group Members to Participate	394
How to Address Resistance in Groups	395
How to Manage Group Conflict and Come to Decisions	396
How to Get Groups Unstuck.....	397
PART VI: TOOLBOX – PRACTICAL DATA COLLECTION	
METHODS.....	400
Major Methods of Data Collection.....	402
Overview of Major Methods of Data Collection	402
How to Review Documentation.....	405
How to Conduct Observations.....	407
How to Design and Administer Questionnaires	410
How to Design and Conduct Interviews.....	412
How to Conduct Focus Groups	415
How to Select From Among Public Data Collection Tools	419
PART VII: TOOLBOX – ANALYZING AND CHANGING SYSTEMS	
.....	421
Analyzing Systems	423
What is Systems Thinking?.....	423
How to Analyze Mental Models – How People Think	424
How to Depict and Analyze Systems	427
Changing Systems.....	442
Important Principles for Changing Systems.....	442
Guidelines for Successful Organizational Change.....	447
How to Respond When All Else Fails	458

APPENDICES	460
